Re: Public Release of Autopsy and Deputy Medical Examiner's Reports
Tom Ngoc Nguyen San Diego Police Department Case #15-028431/15-028434

Dear Dr. Wagner:

Pursuant to Government Code Section 6255, I am requesting that you withhold the public release of the autopsy, toxicology and Deputy Medical Examiner's Reports in the above case. As you are aware, the Homicide Section is conducting an extensive investigation in this death and, as yet, has been unable to resolve the case. It is my belief, and that of the investigators, that the public release of the information contained in the autopsy, toxicology and Deputy Medical Examiner's reports would seriously hamper the successful resolution of the investigation.

Homicide suspects frequently communicate with their peers. There is a probability that a suspect will reveal information to another party. If this information is of the nature that no prior public knowledge was available, investigators could confirm the origin of such information and narrow the scope of their investigation. Such items which are not now public knowledge, but are contained in the autopsy and toxicology reports, include:

- location and nature of trauma on the decedent;
- existence of foreign material on/in the body;
- presence of toxic compounds
- number and caliber of weapons.

February 28, 2013
Glenn Wagner, M.D.
Re: Tom Ngoc Nguyen S.D.P.D.
Case #15-028431/15-028434
Page 2

Additionally, there are facts and observations contained in the Deputy Medical Examiner's report which describe the general crime scene area and the items nearby, including the victim's body and its condition at the time of discovery. The items listed below have not been made public by the homicide detectives and the feeling is that if these facts and observations were released publicly, such release would potentially harm the investigation. Those items which may be contained in the Deputy Medical Examiner's report include:

- exact location and position of the decedent;
- identification of potential witnesses;
- descriptions of items of physical evidence.

Most, if not all, of the above areas have been withheld by homicide detectives following the investigative maxim that certain facts are known only to the killer(s) and the investigators involved. It is my opinion that the public interest in the release of the above information does not outweigh the societal need to withhold this information in the hopes of obtaining an unbiased resolution to the complex matter.

Sincerely,

John Saflar, Sergeant
Homicide Section

CRIME SCENE INVESTIGATION:

Call Out:

On July 3, 2015, at approximately 0030 hours, I received a call at home from Sergeant Bruce PENDLETON. Sgt. PENDLETON informed me an officer involved shooting had taken place and directed me to respond to [REDACTED] Via Fiesta in San Diego to assist with the investigation.

I arrived at the scene at 0115 hours. I noted the sky was overcast and later learned the temperature was approximately 65 degrees.

Access to 14600 Via Fiesta and the alley to the west were blocked to pedestrian and vehicle traffic by marked patrol vehicles, uniformed officers and crime scene tape. Via Fiesta is a two way street which travels north and south.

Additional patrol officers and crime scene tape were protecting the scene perimeter, which was located on the front porch of 14692 Via Fiesta [REDACTED]

The area of the crime scene is primarily made up of residential condominiums. The community is referred to as the "Black Mountain Ranch" and is patrolled by the Northwestern Division. The location of the scene is in police service area beat 937.

Homicide Personnel at Scene:

Present from the Homicide Unit were Captain David NISLEIT #4303, Lieutenant Paul RORRISON #4305, Sergeant Bruce PENDLETON #4706, Sergeant John SAFLAR #5193 and Detectives Dave SPITZER #4665, Bill MILES #5473 and Bill KELLNER #5776. Crime Scene Specialists Ally SOUTHERLAND #8841 and Criminalist Brian BURRITT from the SDPD Crime Lab were also there.

Others present for the briefing included the following: Assistant Chief McMANUS #3974, Assistant Chief Todd JARVIS #3661, Lt. Stephanie ROSE #4991, Lt. Adam SHARKEY #5986, Sgt. Pepper KELLY #5309, Sgt. Ben KELSO #4702, Lt. Matt NOVAK #5098, Sgt. Gaylon SELLS #4231, Sgt. Ed ZWIBEL #5475, Officer John WHITE #6982 and District Attorney Investigator JC SMITH #157.

Briefing:

At approximately 0143 hours, after the entire Homicide team arrived, Patrol Sergeant Gaylon SELLS briefed us on the incident. The briefing took place while standing on the street north of the crime scene. The briefing was audio recorded and I have documented a synopsis below. For an exact word for word account, refer to the recording of the briefing.

Sergeant SELLS essentially told us the following:

At about 2340 hours, SDPD Communications received a call of a 415, Violent at [REDACTED] Via Fiesta. The call was dispatched at 2340 hours and the first officers arrived on scene at 2353 Hours. The officers were, Mike ALBERTS #4835, Jason ROCHA #5508, Charles MARIN #7261 and Bryan SHIELDS #7231. None of the officers are trained in the use of the Body Worn Camera (BWC).

The reporting party on this call was [REDACTED] They reported that an unknown male was in front of the location in a brown, Honda Civic acting aggressive and possibly 5150. [REDACTED] also reported that the male kicked [REDACTED] The male was throwing lit matches at other vehicles. They described the suspect as an Asian, male adult, 60-70 years old, short and thin, wearing unknown clothing and unknown weapons.

As officers were enroute at 2345 hrs, Officer ALBERTS sent a message to P-9 which said, "In the event it is the same guy, he attempted to grab my gun when I 417'd him on a possible knife call. It ended in a ground fight and him being tased".

When officers arrived on scene the suspect's vehicle was pointed out to them by [REDACTED] Officer ALBERTS ran the plate and realized it was the same person he fought with on a previous call. That person's name was, Ton Ngoc NGUYEN, 1-16-55.

The officers went to the address listed on the vehicle registration, 14692 Via Fiesta [REDACTED] Officer ALBERTS and Bryan SHIELDS went to the front door and knocked. After knocking on the door, the suspect, NGUYEN rushed out of the door towards Officer ALBERTS with a knife in his right hand. The suspect was within 7 feet of Officer ALBERTS. Officer ALBERTS attempted to back away from the suspect who picked up speed as he advanced on the officer. Officer ALBERTS drew his duty weapon and fired one round which struck NGUYEN in the upper torso. NGUYEN immediately fell to the ground. Officers secured the scene and began to administer first aid to NGUYEN. NGUYEN was transported to Scripps La Jolla where he was pronounced dead by Dr. James SCHWINDIG at 0044 hours.

The briefing concluded at approximately 0209 hours. Sergeant PENDLETON then assigned the scene to me for investigation. Crime Scene Specialist SOUTHERLAND began taking photographs of the scene.

Scene Viewing:

Criminalist BURRITT, Crime Scene Specialists SOUTHERLAND and I then conducted a brief look of the scene to acclimate ourselves to the area. SOUTHERLAND continued with her photography while we waited for Officer ALBERTS to return to the scene for the walk-through.

At approximately 0239 hours, Officer ALBERTS returned to the scene for a walk-through. The following people were present for the walk through:

Lt. RORRISON, Sgt. PENDLETON, Sgt. SAFLAR, Sgt. Ben KELSO, Lt. Matt NOVAK, JC SMITH, Police Officers Association Attorney Brad FIELDS, CSS SOUTHERLAND, Criminalist BURRITT and Officer Andrew RUIZ . Captain NISLEIT arrived soon afterward and witnessed the walk-through. I digitally recorded the walk-through. Refer to recordings and his reports for complete details.

During the officer walk through, Officer ALBERTS provided a general area of where he believed he was positioned when he fired at the suspect. Criminalists BURRITT and Crime Scene Specialist SOUTHERLAND marked this area with a blue cone.

At the conclusion of the walk-through, I began processing the scene for evidence. After the initial briefing Detective MILES was assigned to interview NGUYEN'S [REDACTED] During his interview, Detective MILES obtained written consent from [REDACTED] to search apartment number [REDACTED] and their vehicle, a 2005 four door Honda Civic bearing California license plate [REDACTED]

Street lights were illuminated on the street in front of the complex, which allowed a moderate amount of ambient light to fall on the porch.

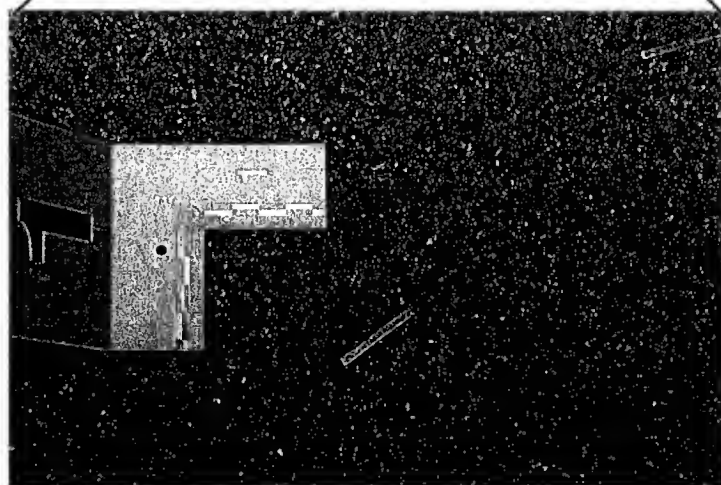

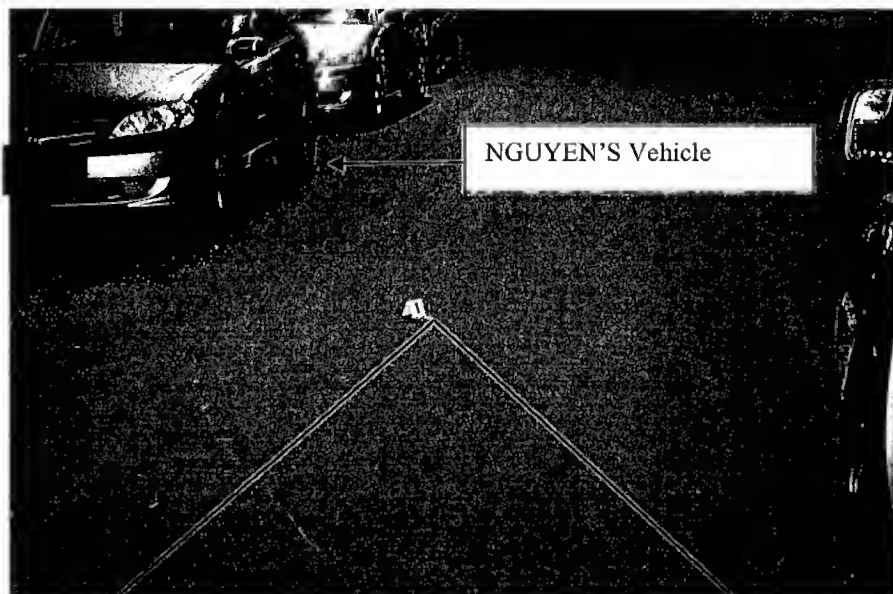

For the purposes of documentation, I divided the crime scene investigation into three individual locations; The porch, where the shooting took place, the area around NGUYEN'S vehicle, which was parked on the street and the interior of NGUYEN'S apartment.

During the course of the investigation, as evidence was located, each item was assigned a placard number. Overall photographs were taken in an effort to show the relationship of each item of evidence to other items of evidence. Prior to the evidence being collected, when appropriate, close-up photographs were taken with the numbered placards in place and I obtained measurements of the location of each item.

(see attached table for measurements).

I located a total of eight items of potential evidence from the three scene locations. Other than one item, matches on the street around NGUYEN'S car, all evidence was collected from the front porch of the apartment. There were items of medical intervention amongst these items. They were photographed and discarded.

R2- South Curb Line 7500 Via Landini

Placard #	ITEM	R1	R2

CSS SOUTHERLAND and I also observed NGUYEN'S vehicle, which was parked at the west curb of 14600 Via Fiesta near the apartment. We were able to see numerous burnt matches on the ground outside the driver's side door. (Above) This appeared to corroborate the witness, [REDACTED] account of NGUYEN throwing lit matches at passersby before the police were called. The vehicle was locked and since we did not have keys to the vehicle, it was not searched. I looked through the windows and saw nothing significant inside the vehicle.

FRONT PORCH, 14692 Via Fiesta Apartment

R2- East Exterior Wall of the Front Porch

The shooting scene was contained in the front porch area of apartment number [REDACTED] at 14692 Via Fiesta. The apartment is on the ground floor and the front door faces east toward the street. The porch area is covered with a patio directly overhead, which is assigned to the unit directly above apartment number [REDACTED]. The front porch light for apartment number [REDACTED] is located to the left of the front door as viewed from the street and was not illuminated. The front door was closed and latched but not locked. There were two windows adjacent to the front door. I took note of the fact that both windows were open with screens covering the windows. The blinds were closed prohibiting me from seeing inside the apartment.

I observed a pair of prescription glasses near the door and a shirt which appeared to have been cut off lying nearby along with a dark colored baseball hat and brown sandals. There was a moderate amount of blood on the ground and I also saw a black handled kitchen type knife with a blade approximately three to four inches long.

I attempted to visually locate the fired cartridge casing from Officer ALBERTS' gun and could not. Sgt. TANSEY obtained a metal detector from Northern Division and Criminalist BURRITT and I conducted a search of the area surrounding the patio. Based on Officer ALBERTS' stated location during the shooting we estimated where the gun could have potentially ejected the spent cartridge casing. We focused the search area in that location, which had several bushes and a large amount of ground cover. We still were not able to locate the casing.

When CSS SOUTHERLAND finished collecting the items of evidence on the porch, we moved the search into the apartment. The apartment is a two bedroom apartment with an attached one car garage. The residence was generally organized and clean. CSS SOUTHERLAND took photographs of each room in the apartment as well as the interior of closets and cabinets before I began my search.

I searched the apartment for medications prescribed to NGUYEN and did not find any. I also looked for knives similar to the one found on the front porch and did not find any. Nothing related to the shooting incident was located in the apartment therefore no evidence was collected.

At the conclusion of the search, CSS SOUTHERLAND and I left at 0535 hours.

RECOVERY OF OFFICER ALBERTS' FLASHLIGHT

SYNOPSIS:

On July 3, 2015 at about 0030 hours, I received a telephone call from Sgt Bruce PENDLETON #4706 directing me to respond to [REDACTED] Via Fiesta to investigate an Officer Involved Shooting. I drove to the scene and arrived at about 0120 hours. I met with the rest of Homicide Team 1 which included Sgt. John SAFLAR, Sgt Bruce PENDLETON #4706 and detectives Dave SPITZER #4665, Bill MILES #5473 and Bill KELLNER #5776. Crime Scene Specialist Ally SOUTHERLAND and Criminalist Brian BURRITT also responded to the call.

This incident was located in Northwestern Division on beat 937. The neighborhood is Black Mountain Ranch. The incident # is 150070003825.

I was assigned to conduct the crime scene investigation and CSS SOUTHERLANDS assisted me by photographing and collecting evidence recovered during the investigation.

At 0440 hours, while processing the crime scene, I received a call from Sgt. PENDLETON. Sgt. PENDLETON informed me that during his interview, Officer ALBERTS stated he dropped his flashlight on the porch during the shooting. Officer ALBERTS said he recovered the flashlight and took it with him when he was transported to Northwestern Division following the shooting. Sgt. PENDLETON also told me that following the shooting Officer ALBERTS insisted on driving his patrol vehicle (#7163) to the substation due to the amount of SWAT equipment and firearms, which were contained in the vehicle. Sgt. PENDLETON requested that I go to Northwestern Division, take custody of the flashlight and have CSS SOUTHERLAND photograph Officer ALBERTS' vehicle.

At 0550 hours CSS SOUTHERLAND and I arrived at the Northwestern Substation. CSS SOUTHERLAND took interior and exterior photographs of vehicle #7163 and I met with Detective MILES. Detective MILES turned over Officer ALBERTS' flashlight, a black Olight M22 Warrior bearing serial number [REDACTED] When CSS SOUTHERLAND completed her photographs we returned to police headquarters. I then impounded the flashlight under barcode 1050611

SUMMARY:

On July 2, 2015 at 2340 hours, [REDACTED] called the San Diego Police Department to report an unknown male, later identified as; Ton Ngoc Nguyen (DOB 01/16/1955) was throwing cigarettes at passing vehicles while he was sitting in a parked vehicle on Via Fiesta. Officer Michael Alberts #4835 responded to the call and arrived on scene at 2353 hours, followed by Officer Jason Rocha. On the date of the incident, officers at Northeastern Division had not been issued body worn cameras. As a result, there is no body worn camera footage. Upon arriving on scene, [REDACTED] directed Officer Alberts to Nguyen's vehicle. Alberts ran a vehicle license plate check on the vehicle and learned the vehicle was registered to Nguyen at [REDACTED]. During a previous radio call at Nguyen's residence, Nguyen attempted to disarm Officer Alberts during his arrest.

On July 3, 2015 at 0005 hours, Alberts and Rocha knocked on the door of at 14692 Via Fiesta, [REDACTED]. An [REDACTED] female, later identified as [REDACTED] spoke from behind the closed door, telling the officers she would open the door. Without warning, Nguyen emerged from behind the door, holding a steak knife with a three to four inch blade. Alberts immediately backed away from the door. Nguyen began advancing towards Alberts with the knife extended outward and in a threatening manner. Officer Alberts immediately drew his service weapon, pointed it at Nguyen, and ordered him to drop the knife. Nguyen did not comply and continued to rapidly advance on Officer Alberts. Alberts, fearing Nguyen was going to stab him, discharged his service weapon in defense, firing one round of his 45.cal handgun. The bullet struck Nguyen in the center of his chest. Medic Unit #410 transported Nguyen to the emergency room at Sharp Hospital in La Jolla, where Dr. Schwendig pronounced Nguyen dead at approximately 0044 hours.

Officer Alberts carried a Springfield, Model 1911 TRP, .45 caliber, semi-automatic handgun, with one round in the chamber, and [REDACTED] rounds in the magazine. Officer Alberts carried an additional [REDACTED] magazines on his duty belt, four containing [REDACTED] rounds, and two containing [REDACTED] rounds. Officer Alberts fired one round at Nguyen.

The computerized report showed Officer Alberts' weapon was authorized for use as of February 17, 2015.

The qualification record indicated Officer Alberts attended and successfully completed all scheduled Department Firearms Qualifications. Officer Alberts' last firearms qualification prior to the shooting incident was on June 9, 2015. His approved duty weapon was a Springfield 1911 TRP, .45 caliber Semi-Auto, Serial [REDACTED]. This is the Department approved personal weapon that was used during the shooting.

Criminalist Lisa Wilson conducted an examination of the Springfield firearm carried by Officer Alberts after this incident. Wilson found the pistol had one cartridge in the chamber and a seated magazine. The seated magazine contained [REDACTED] cartridges. Officer Alberts carried an additional [REDACTED] spare magazines. Each of the spare magazines were [REDACTED]. Officer Alberts carried a combined total of [REDACTED] cartridges dispersed within the spare magazines with maximum practical capacity of either [REDACTED] rounds each or [REDACTED] rounds each. The cartridges

carried in the pistol and additional magazines were Department issued Federal Premium .45 caliber, subsonic, 147 grain, HST HP, jacketed, controlled expansion ammunition.

The evidence indicated that if the pistol was "hot loaded," then one cartridge had been fired from the pistol, which was consistent with Officer Alberts' statements and additional evidence recovered from the scene. No expended cartridges were found at the scene. The pistol was test fired and appeared to operate normally.

Homicide investigators did not locate the expended .45 caliber shell casing at the scene. The San Diego County Medical Examiner's Office recovered the expended bullet fired. Additional evidence and property associated with the shooting was recovered and impounded.

This Officer Involved Shooting occurred on July 3, 2015. The SDPD Homicide Unit conducted a criminal investigation of the shooting then forwarded the investigation to the District Attorney's Office for their criminal investigation and review. On April 7, 2016, the District Attorney sent a letter clearing Officer Alberts of any criminal wrong doing. Under Government Code 3304 (d)(2)(A) this case was tolled from July 3, 2015 to April 7, 2016 due to the above listed criminal investigation by SDPD Homicide and the District Attorney's Office.

On July 20, 2016, I received a copy of the District Attorney's letter dated April 7, 2016. The conclusion to District Attorney Dumanis' letter states:

"On the evening of July 2, 2015 at approximately 11:40 p.m. a woman and her husband called the police to report an assault. The suspect, later identified as Mr. Nguyen, approached the couple and kicked the husband. The couple feared Nguyen was mentally unstable. Officer Alberts responded and remembered Nguyen as the suspect in a previous violent confrontation with the police. Alberts went to Nguyen's residence to investigate the latest complaint. Nguyen opened the front door with a knife in his hand. Alberts instructed Nguyen to drop the knife, but Nguyen ignored Alberts' instructions and rushed towards Alberts with the knife raised. Alberts shot Nguyen once in the chest. Nguyen was transported to hospital where he was pronounced dead."

"Based on these circumstances, it is apparent that Officer Alberts fired in self-defense and therefore bears no criminal liability for his actions."

WITNESS STATEMENT: Officer Jason ROCHA

Only July 3, 2015, Officer Rocha gave the following statement to Detective David Spitzer, ID #4665:

Officer Rocha said he is currently assigned as a patrol officer assigned to Northwestern Division. Tonight he was working as a backfill overtime position due to low staffing issues. He was working a one officer patrol car identified as 934J3. His current supervisor was Blaine Ferguson.

Officer Rocha said he and Officer Mike Alberts received a radio call of a disturbance involving an Asian male. The details of the call stated the Asian male had kicked the reporting party and thrown lit objects at passing vehicles.

Officer Rocha said while driving to the call he received a computer message from Officer Mike Alberts which said he recalled a few years ago dealing with possibly the same Asian male subject. During that incident the Asian male had gotten into a physical fight with police and tried to grab Officer Alberts' gun.

When they arrived at the scene they did not see the Asian male subject. The officers were flagged down by the reporting party [RP]. The RP led them back to the main street and pointed out the Asian male subject's vehicle, a brown Honda Civic. Officer Rocha conducted a registration check of the license plate and Officer Alberts stated he thought the registered owner's name was the same as the male he encountered there several years ago. Officer Alberts said he was pretty sure the male lived in Apartment [REDACTED]

Officer Alberts asked their dispatcher to see if any Canine Police Units were available to assist but was told none were close or available. Several more patrol units arrived at the scene and went to apartment [REDACTED] to check on the male.

Initially, they knocked but got no answers. The lights were off inside. The officers spread out to take up a perimeter around the house. Officer Alberts stayed in the front by the door. Officer Rocha went to the side of the house, he believes on the North side. Officer Rocha could see through into the house through a window. Officer Rocha could hear a female inside talking. Officer Rocha spoke loudly that he was with the police and they wanted to speak to the male. He said he tried to quickly explain the situation to the female. Officer Rocha told the female to go to the front door.

Officer Rocha could see the female headed towards the front door area. Officer Rocha shouted over to Officer Alberts that a female was headed towards the front door. Officer Rocha stayed by the window to keep observations on the interior of the home.

Officer Rocha was positioned so he could keep partial view on the front of the house where Officer Alberts was located. Officer Rocha estimates he was approximately 20 feet from Officer Alberts. Officer Rocha heard the front door opened and almost immediately Officer

Alberts began to shout, "Drop the knife, Drop the knife". Officer Rocha is positive he heard drop the knife at least twice. Officer Rocha turned his attention towards Officer Alberts and could see him backing away from the front door. Officer Rocha heard Officer Alberts shout something like, "Don't move," or "Stay there." Officer Rocha saw Officer Alberts fire one shot. Officer Rocha estimated the timeframe from the time he heard the front door open until he heard Officer Alberts fire his handgun was less than five seconds.

Officer Rocha rushed over to assist and could now see an older Asian male with glasses slumped over near the front door. Officer Alberts told Officer Rocha to "check for the knife". Officer Rocha said the house needed to be checked and cleared. Officer Alberts agreed. Officer Rocha and another officer, Officer Marin, entered the house while Officer Alberts and Officer Shields remained outside. Officer Rocha immediately encountered an Asian female running towards the front door. Officer Rocha heard the female yelling, "He's crazy, he needs help." Officer Rocha stayed with the female while Officer Marin cleared the house.

Officer Rocha returned back outside to assist Officer Alberts with the Asian male. Officer Alberts stood by while Officer Rocha and Officer Shields found a black handled steak knife by the Asian male.

The officers started giving first aid to the Asian male until medics arrived. Officer Rocha said one of the officers checked and the male had a pulse. They applied pressure to the wound. Once enough officers arrived at the scene to control the situation Officer Rocha drove to the Northwestern substation to standby to be interviewed. Officer Rocha said as far as he could remember he has never dealt with the Asian male subject in the past. He did not recall ever having been to this address before.

WITNESS STATEMENT: Officer Charles MARIN

On July 3, 2015, Officer Marin gave the following statement to Detective Bill Kellner, ID #5776:

BK: Bill Kellner, Detective – Homicide Team I
CM: Charles Marin, Officer – Northwestern Division – 2nd Watch

BK: *In your own words, how were you involved with the scene? Just start from the beginning.*

CM: Well, we got the radio call of an Asian male, possibly sixty, or seventy. He kicked or threw something at another male. I was behind Mike Alberts. We came around to the residence because Mike had already spoken to the RP (Reporting Party). He (RP) said he could tell us where the car was that the Asian male was sitting in. We went out to the street and went to the car. The RP said, "That's the car of the guy." Mike had dispatch run the plate and it came back, um...we started talking about Mike Albert's history in the past with a male in this area with mental issues. He (Alberts) just wanted us to be alert of that. The plate came back and Mike said that was his guy, so we went to set up a perimeter.

We went to his apartment (Ton Ngoc Nguyen). Before we made contact, I went just south of the address down a little walkway to the back corner. I checked the garage to make sure it wasn't open. I checked the window and didn't see anyone inside the house. That's when Mike knocked on the door and made the announcement "San Diego PD. We just want to check the welfare and make sure everything is all right. At that time, nobody came to the door when he first knocked. I just kept the southwest perimeter corner to make sure no one decided to run out the back or through the window. Mike announced the gentleman's name, but I can't remember the name he said. He (Mike) said, "Hey, we just want to make sure everyone's all right."

At that time, I could hear the unlocking of the door. As soon as the door opened, all I could hear is Mike scream "drop the knife, drop the knife." He (Mike) said it at least two times, possibly three. After the last time he said, "drop the knife" I heard a gunshot so I ran up to where they were and saw the male was laying on the ground. I asked, "where's the knife?" They said he still had the knife underneath his stomach so we just held there until the wife came out the door. I went inside the house and had the wife sit on the couch. I did a quick search to make sure no one else is inside the house and I stayed with the wife.

BK: *How far from your position on the corner, were you from the front door?*

CM: Anywhere from ten to fifteen feet. I could still see them because they had backed away from the door when he knocked. I could see Shields (Officer Bryan Shields #7231). I couldn't see Rocha (Officer Jason Rocha #5508) and I could just barely see Mike (Officer Mike Alberts #4835).

- BK: *So it was just those three officers in front and you were standing on the corner?*
- CM: Yes. I was on the one corner. It was an apartment complex so he couldn't go...there is only two ways out, that way (front door) and my way.
- BK: *In your estimation, how much time between when you heard him (Alberts) say, "drop the knife and the shot?"*
- CM: It felt like a long time. I would say it had to be close to ten seconds. From when he said it from when I heard the pop. I realized that was a gunshot and knew I had to get up there and figure out what was going on.
- BK: *Did anyone come out of any of the houses that you know of?*
- CM: Nobody came out. We all tried to put it out over the air at the same time. That's when the three of us and Mike helped out with the guy who still had the knife underneath him. I knew we had to check inside. We were going to send two inside, but that's when the wife came out. That's when I went inside. I said, "Watch her. I'm just going to check the house real quick.
- BK: *Was anybody else inside the house?*
- CM: No. Just the wife.
- BK: *What was her demeanor like?*
- CM: At first she was just shocked. She wasn't quite sure what happened. It wasn't really affecting her. She just kept saying, "My husband has mental issues, he has mental issues." There was a little bit of a language issue. She spoke decent English, but I think she was still in shock. We didn't want to let her come out and see what happened. She wasn't sure what had transpired outside.
- BK: *Did she make any other statements? That's obviously important that she said her husband had mental issues.*
- CM: She kept saying "He's not right in the head. He has problems inside his head. I don't know why he leaves the house. I tell him to stay inside the house because he does have these mental issues. He takes all sorts of medication and has a long list of medical issues.
- BK: *How did the house look?*
- CM: The house looked pretty neat. It didn't look like anyone was throwing stuff around.
- BK: *Did she say anything about what had happened tonight before you guys got there?*

Reporting Officer: Benjamin A. Kelso, Sergeant ID: 4702 Division Internal Affairs

CM: She said the last she knew, he was in the living room and she went to sleep. She didn't know why we were there. She just kept asking why we were here and telling me he had mental issues.

BK: *What did you do next? Did you do anything after dealing with his wife?*

CM: I just asked her about what medication her took and she didn't know. I just took a brief statement from her. I just sat there with her because she was finally starting to break down.

BK: *Did she say if there was anyone else who lived in the house that wasn't there during this incident? Anyone else we should talk to like kids?*

CM: They have one kid, but I don't know the daughters name. They do have a daughter that lives in San Diego. She doesn't live at the residence, but there was only one room we couldn't clear because it was locked. I guess they still keep the daughter's room.

BK: *Is there anything else you think is note worthy?*

CM: You could hear from my position how loud the announcement was of Mike saying, "Drop the knife."

WITNESS STATEMENT: Officer Bryan SHIELDS

Only July 3, 2015, Officer Shields gave the following statement to Detective David Spitzer, ID #4665:

Officer Shields said he is currently assigned as a patrol officer assigned to Northwestern Division. Tonight he was working as a backfill overtime position due to low staffing issues. He was working a one-officer patrol car identified as 931J3. His current supervisor is Richard Fortuna. Officer Shields said that tonight he was assisting on a radio call of a "415" involving a male who kicked the reporting party. Officer Alberts sent out a message with supplemental information about the possible subject of the radio call. Officer Alberts wrote that he had gotten into a ground fight with an Asian male suspect at this same address at some point in the past.

The officers arrived at the scene and they checked the area but they did not see the Asian male. Officer Shields said one of the officers, he's not sure which one ran the license plate of the Asian male's vehicle and found out where it was registered. They made the decision they were going to attempt to contact the male at that address. Officer Shields said he heard Officer Alberts request a Canine Police Unit but was told they were from a distance. There were four officers at the call and they set up a perimeter around the house they believed the male lived. Officer Shields said he was on one side of the home. Officer Alberts was near the front door. Officer Shields said Officer Rocha was on the east side of the house. Officer Alberts knocked but got no answer. Officer Shields could hear Officer Rocha talking to an Asian female somewhere inside of the home. He could hear Officer Rocha telling the female to go to the front door.

Officer Shields said he was off to the side from Officer Alberts. Officer Shields estimated he was ten feet from Officer Alberts at this time. Officer Shields could hear the front door of the target house open and Officer Alberts yell, "Drop the knife, and drop the knife." Officer Shields said from his position he could not see the front door or the male as he came out. Officer Shields could see Officer Alberts' backside. Officer Shields heard Officer Alberts fire his handgun one time. Officer Shields rushed over to assist and as he came around the front wall, he could now see an Asian male slumped on the ground. Officer Shields said he assisted with first aid at the scene. Once medics arrived Officer Shields said, he rode in the ambulance with the Asian male to the hospital. Officer Shields said while he was at the hospital he was advised by the staff that the Asian male had died. Another officer arrived at the hospital to standby for detectives. Officer Shields was directed to go to Northwestern Division to standby to be interviewed. Officer Shields said he is currently assigned to Northwestern Division but he has never encountered this Asian male subject before tonight.

Northern had just had a 245/ 215 stabbing they were working on their freq. Dispatch got on the air and aired that they had a 415 violent coming in on Via Fiesta. That's a distinct street because it has the Mosque behind it, so we've been doing "D" runs (security checks) out there over the last couple of days. I read the comments on the call. It said the RP's husband had been kicked by an Asian male in his 60's, and that he was throwing

things out of a car at other vehicles. Literally last week I pulled the PAC file from Via Fiesta involving a Vietnamese male, Mr. Nguyen, we had an incident on Via Fiesta six years ago where a male was screaming about killing somebody and I think they heard a woman screaming for help from an address on Via Fiesta. So I recognized the street. I didn't know it if was him or not. I kind of felt guilty because I literally just had dispatch pull that PAC file last week because it'd been five, six years since we haven't had any incidents with Mr. Nguyen. So I sent it to P9 because the primary was busy with Northern's stabbing, and I said, 'FYI we're at uh....' and I don't know verbatim. I just basically said there was an Asian male that we had an incident with where he tried to grab my gun on a call out there. I said, 'I'm not sure if this is the guy, but if it is, just for officer's safety it ended up in a ground fight and we had to take him to take him into custody. So I sent those to P9. I didn't attach them to the incident, I sent them to P9. The distance to this location is anywhere from twelve to fifteen minutes, from Beat 934 to 937, so I knew I was coming from a pretty good distance. Uh, as I'm driving, there's no real updates because Northern's air is tied up. Dispatch saw the 3rd update so she advises units, 'You need to check your MCTs for messages, 936J, in regards to this possible subject'. So I get 97 first. It was probably a little bit before midnight. I utilized the fog lights on my vehicle. They're super bright as compared to the old vehicles back in the day. Floods the whole street. It said the subject was in a, I think a gray or brown, Honda. So I checked every Honda on Via Fiesta. I went up once. I went down again. Saw no one on the street. So then I decided to drive into the apartment complex. By that time there's three or four additional units there. Officer Rocha, Officer Milton (Marin) I think the new guy and is, and Officer Shields. As we're driving through the complex, a woman and a man pull up in a white, small SUV. He gets out and he says, 'Officers! Officers! I'm the one that called. I'm the one that called'. And I said, 'Okay, well we didn't see him out on the street'.

He goes, 'I'll show you what car he was in.' And I think I told him, I said, 'Well that's good'. I said, 'We had an incident with a male before on this particular street and he tried to grab an officer's gun so we just want to make sure it's not the same individual.'

He goes, 'Oh, okay. I'll show you'. So he drives out, points to the car. I think I ran it or Officer Rocha ran it. One of us ran it. As soon as the name came back, I recognized that it was Mr. Nguyen and the address, we were literally, I'm gonna guess fifty to hundred feet from the actual address. So the car was right there.

Reporting Officer: Benjamin A. Kelso, Sergeant ID: 4702 Division Internal Affairs

We look, listen and feel. We don't hear anything. The apartment to the south of Mr. Nguyen's address, the lights were on so I thought maybe that was it. I think that was Apartment [REDACTED]. So then we confirmed the address and it was apartment [REDACTED]. No lights on. All the windows were open but no lights were on. Look, listen and feel, I sent the new officer to the back. I go and make sure there's nobody hanging out in the garage or the alley way. Officer Shields was off to my left and I don't know how far because I stayed focused on the front door. But I stayed off of the front door (6-7 ft) because of the incident I had the last time. The fight for my gun was literally in the doorway. So I stayed off the door. I didn't know if this individual was back. I didn't know if it was the same guy. The name and everything all tied in. Officer Rocha was off to my right side and so I knew I had a good perimeter position. We had already asked for a dog, if there was dog close go ahead and start them that way. Officer Rocha all of a sudden, he said something. He's communicating with a woman and I could hear the Asian accent. And he said, 'Ma'am, this is San Diego Police we need you to come to the door'. And so I heard that distinctly and that was after we had rung the doorbell and nobody came to the door. So I stayed right where I was. I had, it's an 'O' light. It's called an M-22 I believe. It's a 950 lumen flashlight. It's brighter than our spotlights on our cars. So he informs me that the female is coming to the door. So I illuminate the door. The door opens so I let my guard down. I believe it's going to be the wife so we can talk to her, say, 'Hey is your husband home, where is he, is he still out and about in the complex'. So literally the door opens up and as soon as he comes out, I recognize it's Mr. Nguyen. I had him lit up. The first thing my light reflects off the silver blade of the knife. It looked to be probably a five or six inch knife. He had it in his right hand. I yelled out, 'Drop the knife!' Clear as day I heard it. And then in my mind, I go, 'He's gonna drop it'. And I think I got caught completely off guard because he didn't drop it. As soon as I said that, he starts raising like he's coming towards me to stab me, and then he just increased his speed. So I took a step back and literally prepared myself to get stabbed.

Officer Alberts' voice began to crack and he became teary eyed.

PR: You can take a break if you want.

MA: Because I thought I screwed up and was too close. So I tensed up and I drew and as I drew, I think I fired with one hand and dropped this light, to go to two handed shooting. And he was probably three feet from me when I shot him. And then he immediately spun to his right side and kind of went up in the air. Kind of like an up and over movement, and then fell onto his right side. (Voice cracking and teary eyed) And then I

Reporting Officer: Benjamin A. Kelso, Sergeant ID: 4702 Division Internal Affairs

could see him bleeding out and the knife was still down by his right hand. I tried to get on the air and say 'Shots fired' and Northern had the air tied up again. So I focused on him.

This time I activated the light on my primary. Officer Shields had come over from my left. Officer Rocha came over from my right. I could see he was moving, but it was minimal. I mean he was turning the ash color.

I've seen that a lot in Iraq. And I told the new guy (Marin) he needed to go up and check for a pulse, but before he did that we needed to move him away from the knife. So he gloved up, Jason Rocha gloved up. I was still trying to gather myself because it just happened so fast. Officer Shields said, 'Yeah, I can feel a faint pulse'. So I ran back. I might have walked fast, ran, I don't remember. I always carry a huge CLS bag. It's a combat life-saving bag with enough to triage ten people. That's one of the things I learned from Iraq; always have plenty. So I grab that. I went back and gloved up, took out some gauze. I think they call them 4 x 4's. I took out a stack of them, pulled his shirt down. I could see a single gunshot to his sternum. I put direct pressure on it. Kind of didn't feel right just because I was still trying to tune myself back into the whole thing that happened. So I asked Officer Shields, 'Can you maintain direct pressure on him?' One of us had already called for medics. The only other thing that happened prior to that was his wife had said, 'What happened? What happened to my husband? He's sick! He's sick!' And then one of the officers that was in the back, I think it was Milton (Marin) asked her to step back into the house. I think she looked out momentarily, turned on the porch light and then she went back into the house. And then once I knew the medics were 97 I went back with Officer Rocha and we just set up crime scene tape. I was giving updates on his pulse and what we were doing for triage. And just advising, you need to start the Sergeant and stuff like that. Other than that, I just stayed away. Once the medics were there and they were doing their thing, I just stayed away from it. The only thing I did do on my way out, cause the medics were going to kick it, my flashlight that I had dropped to my left side, I picked that up and secured that. That's the only thing. And then my, I think my latex gloves are still at the scene. I pulled them off and put them off to what would be the cast. I think that's the only other thing I left there. And I picked up my CLS bag. It's a big, tan backpack for medical gear, so I picked that up and took that back to the car and then just stayed out of the scene until other supervisors and stuff showed up. I gave Sergeant Sayles a safety brief and then that was it. And then Traffic Officer Voss drove me back to the station in my car just because there's so many weapon systems and other things in my SWAT

vehicle that we got. It wasn't inside the crime scene tape. It was outside the crime scene. There were four utility vehicles in the street. That's our whole division and mine was the one furthest away from the address itself so, so literally in front of his house. I don't think we were parked directly in front, but there were four marked units right in front of, basically almost right in front of his address. I think I got on the air and asked somebody to secure the original RP or try to and get a hold of the original RP because he told me he'd be available if we needed him for follow-up calls. And then I went back to the station and that was it.

BP: Mike, why did you shoot?

MA: Like I said, I took a step back trying to gain distance and he just, he gained so much ground on me so fast. I thought I waited too late. And I knew if I didn't fire, I was going to get stabbed probably right below the vest. That's why I prepared myself to take the hit. I knew if I didn't fire at that moment, I was gonna get stabbed. And then I know how hard he fought the last time and it took a long time.

I mean, he's an older gentleman but he's in probably the best shape I've ever seen for somebody that age. I mean literally when he came out of the door, he had just tone locked, he had that blank robotic stare on him, and just beelined it straight for me.

BP: Okay. Lt. Rorrison, anything?

PR: I just got one, just so we can put it on record here. You said he came out the door and was holding the knife in his right hand and you motioned that he was holding it straight out in front of you.

MA: When, he had it down towards his right side, and then as soon as I told him to drop it, he increased his pace towards me. And it was like he was starting to come towards me with it when I drew and fired.

PR: He was lunging at you?

MA: Yeah, like I said, he first walks out kind of slow and not methodical and then as soon as I gave him the command to drop it, it was almost, it wasn't running but it was a decisive move straight towards me.

PR: Okay.

MA: And I would say he was probably within three feet when I actually fired. And like I said, 'It happened so fast, I'm pretty sure I fired with one hand, dropped the light and then tried to come up for a two hand in case it wasn't over. The one round went off and that was it. He went down.

PR: Okay. And I just got one question. You said you dropped the light and you secured it?

MA: Yes sir.

PR: Is it still at the scene or?

MA: No, no. I secured it.

PR: Okay.

MA: Because it was dropped off to my left side and it was literally in the middle of the sidewalk and then medics came and there's not a lot of room to get down that side though, so I picked it up and secured it and then put it in my vehicle. There's a holster for it right next to the mike in my car.

PR: Okay. We'll just have to get that.

MA: Okay.

PR: Will you go back to that station and get that.

MA: Okay, yeah. It's in 7163, so.

PR: That's all I got.

BP: Okay.

JS: When you said he came out of the door, he was almost walking slow until he saw you, and then he started moving towards you and raising his hand as if he was going to stab you?

MA: It's like he came from the waist, and just made a beeline straight towards me.

JS: And then you said he got within about three feet away.

MA: Of me.

JS: Was that the blade or was that his body?

MA: I felt like it was his body

JS: And then you ultimately stabbed him because you felt like you were going to get stabbed?

MA: Absolutely! Like I said I tried to step back thinking I could gain ground and then when I realized there is just nowhere to go he's already on top of me is what it felt like, that's when I drew and fired. I'm still trying to figure out how I had time to get out and draw. It was just that fast.

BF: Just building on that, your training, what is the distance...is there a magic distance that you're aware of or at least in your training that somebody with a knife can be on top of you before you might be able to...

MA: Back in the day the rule used to be 21 foot rule and I know everybody in here has heard of that. When I went through the Firearms Instructor School in Sacramento back in 1996. We did a drill where they had shooters on the line and they had the other students behind them and as soon as they said 'draw', they had the officers run and the average distance was 29 to 36 feet. So, it was way beyond the 21 foot rule. But that's kind of the magic number that they, that they give you. So I knew when he was, I'm going to guess that I was eight feet from that door, maybe six feet from the door when it started. And when he covered that distance so fast, I knew I was way behind power curve.

BF: And then the other issue, so you mentioned that you had, and I just want to make sure we have this on the record, you had had contact with this, with the suspect how many years ago?

MA: I want to say roughly six years ago.

BF: And was it at the same residence?

MA: The same exact residence.

BF: Okay and um when did you realize that this was either likely or the same, or the same suspect that you dealt with six years ago.

MA: Well...and again that's why I pulled the PAC file because I even told the dispatcher, 'We haven't had any calls. Either he moved or I don't know what'. So I go, 'I know you guys don't like stacking up the PAC file thing, so you're good to remove this one.'

BF: And when did you remove that?

MA: Literally last week.

BF: And why did it come up last week?

MA: Um, we were doing...I think we got...we either got a call to Via Fiesta. In fact I think that's what it was, or we were doing D Runs at the mosque and whenever you're in the same hundred block, the PAC file popped up. And that's when I ran him. I'm like this guy's probably not even there anymore and it was Officer (inaudible) was there and Officer RUIZ was there for that incident.

BF: So six years you had this incident but a week ago just sort of by coincidence...

Reporting Officer: Benjamin A. Kelso, Sergeant ID: 4702 Division Internal Affairs

MA: The PAC file popped up.

BF: The PAC file pops up. You ask them to remove it. But that's in your head as this is...

MA: Driving there. As soon as I read the description and that age, I'm like...and the behavior. When the reporting party used the term aggressive behavior and all that, I'm thinking I don't know who else we had, literally no calls of anything like that nature. It's just...and that's the first thing that popped in my head.

BF: And when the suspect came out of the door, did you remember him?

MA: Immediately. Yeah. Same look on his face as last time so....

BF: That's all I have.

BP: Anything else? Okay. We'll conclude this interview. The time is 0430 hours.

CONCLUSION:

The action of Officer Alberts was **WITHIN POLICY** per Department Procedure 1.05 (Firearms Procedure), dated March 22, 2013, Section IV, which states, in part:

IV. Procedure for the Use and Safe Handling of Firearms by Officers

A. Officers shall not discharge any firearm in the performance of their duties except as authorized by this Department procedure.

B. No officer shall discharge a firearm in the performance of duty except:

1. During authorized training at a target range;
2. When the officer has a reasonable belief that a subject (or animal) poses an imminent threat of death or serious bodily injury to the officer or another person;
3. When necessary to apprehend a fleeing suspect if there is probable cause to believe the suspect has committed a felony involving the infliction or threatened infliction of death or serious bodily injury, and the officer reasonably believes the suspect is armed with a deadly weapon and the suspect's escape would pose an imminent threat to the officer or others; and,
4. As permitted by Department Procedure 6.09, Handling of Injured Animals.

On July 3, 2015 at 0005 hours, Officer Alberts and Rocha knocked on the decedent's door at 14692 Via Fiesta, [REDACTED] with the intention of investigate circumstances of a radio call disturbance reported by [REDACTED]. An [REDACTED] female, later identified as [REDACTED] spoke from behind the closed door, telling the officers she would open the door, however, it was the decedent who emerged from the door without warning and while holding a steak knife.

Alberts immediately backed away from the door as Nguyen while holding the knife in a threatening manner, began advancing towards Alberts with the knife extended. Officer Alberts ordered Nguyen to drop the knife, and Nguyen did not comply while continuing to rapidly advance on Officer Alberts. Alberts, in self-defense, and fearing Nguyen was going to stab him, drew his service weapon, pointed it at Nguyen, and fired one round of his 45.cal handgun at Nguyen. The bullet Alberts fired struck Nguyen in his chest, thus ending the threat. Nguyen succumbed to his injuries at Sharp Hospital, where Dr. Schwendig pronounced Nguyen dead at approximately 0044 hours.

Officer Alberts' statement is supported by Officer Shields and Officer Rocha's statements. Officer Shields was assigned to the call and stood at the edge of the front of the house on Officer Alberts' far left. Officer Rocha stood on Officer Alberts' far right. Officer Marin took a perimeter position at the rear of the house. Officer Alberts heard Officer Rocha communicating with what he described as woman with an "Asian" accent inside the home. Officer Alberts said he heard Officer Rocha, tell the woman the San Diego Police were at the door, and come to the door. Officer Rocha confirmed this by telling Officer Alberts the woman is coming to the door. Officer Alberts illuminated the door with his flashlight, anticipating the female Officer Rocha spoke with was opening the door. Officer Alberts, believing he was speaking to the woman opening the door, asked the person opening the door if her husband was home. He could not see the person opening as it opened because the door concealed the subject from Officer Alberts' view. As the subject opening the door revealed himself, Officer Alberts immediately recognized Nguyen armed with a knife emerging from the doorway from within a distance of six to seven feet. Alberts attempted to retreat to gain distance from Nguyen as he emerged from the doorway. As Officer Alberts retreated, he drew his weapon, and ordered Nguyen to drop the knife several times. Officer Alberts said he believed Nguyen would comply, and drop the knife as ordered, but Nguyen did not.

It is clear from the statements obtained in this case and the evidence at the scene that Officer Alberts fired his weapon in response to Nguyen's assault after immediately opening the front door. Through his actions, Nguyen presented an imminent threat to cause death or serious bodily injury to Officer Alberts. Officer Alberts' actions in response to Nguyen's deadly threat were legal, justified, and reasonable considering the circumstances.

A San Diego police officer shot and killed a 60-year-old man who was attempting to stab him with a knife, police said Friday.

The incident occurred Thursday night in the Black Mountain Ranch community after police received a call that a man had been assaulted by another resident in a condominium complex, according to Lt. Paul Rorrison.

Police went to the suspect's condo. The man came out of his residence holding a knife and refused orders to drop the weapon, Rorrison said.

The police officer fired one shot, Rorrison said. The man, identified as Ton Nguyen, was pronounced dead at a hospital in La Jolla.

Police identified the officer, a veteran of 24 years with the department, as Michael Alberts.

SDPD: Officer fatally shot man with knife

By Pauline Repard | 6:39 a.m. July 3, 2015 | Updated: 9:51 a.m.

SAN DIEGO — A San Diego police officer fatally shot a man who charged at officers with a knife at a northern San Diego condominium late Thursday night, authorities said.

The name of the 60-year-old man who died was not released. A neighbor said the man lived with his wife and had retired after the business he ran failed.

Police withheld the name of the officer who fired, but said he is a 24-year department veteran.

Residents called police about 11:40 p.m. to report an assault at a condo complex on Via Fiesta, a few blocks off Camino del Sur in Black Mountain Ranch, homicide Lt. Paul Rorrison said in a news release.

A man at the complex told officers he'd been attacked by a resident.

Officers knocked on the door of the suspected assailant and a man came out holding a knife, Rorrison said. He said officers ordered the man to drop the knife, but he "immediately charged at one officer and attempted to stab him."

One officer fired a single round at the man, wounding him in the torso. Officers started life-saving measures until paramedics got there, Rorrison said.

The wounded man was taken to a hospital, where he died.

Rorrison told 7San Diego news station that the officer had only a split-second to draw his gun and fire after the man opened his front door suddenly and charged out with the knife.

He also said the first victims who reported being assaulted, a man and woman, told police the suspect kicked the man and flicked lit matches at them.

A resident who lives next door to the man who died said nearly everyone in the complex moved in soon after it was built in 2004.

"That's when I first knew him," said Santi Jittathai, 42. "So far he was a good guy. A good neighbor. We shared food."

He said he was asleep when the shooting happened, and didn't hear or see anything of the confrontations.

Jittathai said he simply called the man "uncle" out of respect for his age. He said the man was from Vietnam, and he and his wife have a daughter who has graduated from college.

"I worry about his wife now," Jittathai said. "Normally he drove her to work every day. For his wife, he's everything. He used to own a business. I think it didn't go very well so he retired. His wife earned the living."

Jittathai expressed sorrow for the events leading to his neighbor's death, adding, "May his soul rest in peace."

Police had the streets and the man's condo cordoned off with barrier tape through of the night.

SAN DIEGO - A person who confronted San Diego Police officers with a knife in the Black Mountain Ranch community was shot and killed by a San Diego Police officer, police said Friday.

The shooting occurred in the 14600 block of Via Fiesta at 11:40 p.m. Thursday San Diego Police Officer Robert Heins said.

Homicide detective Lt. Paul Rorrison said officers responded to a call of an assault at a condominium complex.

Rorrison said the suspect in the assault, a 60-year-old man, answered a knock at the door from an officer by charging at him with a knife.

An officer fired a single shot, striking the suspect in the torso, Rorrison said.

The suspect was pronounced dead at a hospital, Rorrison said.

The officer who fired the fatal shot was a 24-year veteran of the department, Rorrison said.

No officers were hurt in the incident.

The identity of the suspect was not released, Rorrison said.

SAN DIEGO (CBS 8) - Homicide detectives locked down an area in North County Friday, as they gathered evidence on an officer-involved shooting.

A suspect was shot and killed by police. San Diego Police Chief Shelley Zimmerman monitored the scene.

The Homicide Unit says around 11:40 Thursday night, officers were called out to the 14,000 block of Via Fiesta in the Black Mountain Ranch community because of a fight.

Residents called 911 after a man beat another man. Police say the suspect, in his 60's to 70's, assaulted neighbors and kicked them.

They led officers to the suspect's front door, that's when he allegedly rushed at them with a knife.

Homicide detectives say an officer fired one shot.

The suspect was transported by medics to Scripps Memorial Hospital where he later died.

His next door neighbor was sleeping during all the chaos and says she's stunned, and left with mixed emotions.

"If it's the man I'm thinking, he seemed so nice and normal. Certainly, I have a baby and I don't want anyone weird or crazy running around my neighborhood. I'm just really shocked and sad that happened," Angel Larson said.

Authorities aren't releasing the name of the suspect until his family has been notified.

The officer involved in the shooting has been with the San Diego Police Department for 24 years. He is on administrative leave during this ongoing investigation.

BP: Okay. So Mike in your own words, just tell us what happened tonight.

MA: Okay sir. It was probably the third call of the night. It wasn't really a busy night. Northern was going off like usual with calls. Northern had just had a 245/ 215 stabbing they were working on their freq. Dispatch got on the air and aired that they had a 415 violent coming in on Via Fiesta. That's a distinct street because it has the Mosque behind it, so we've been doing "D" runs (security checks) out there over the last couple of days. I read the comments on the call. It said the RP's [REDACTED] had been kicked by an Asian male in his 60's, and that he was throwing things out of a car at other vehicles. Literally last week I pulled the PAC file from Via Fiesta involving a Vietnamese male, Mr. NGUYEN, we had an incident on Via Fiesta six years ago where a male was screaming about killing somebody and I think they heard a woman screaming for help from an address on Via Fiesta. So I recognized the street. I didn't know if it was him or not. I kind of felt guilty because I literally just had dispatch pull that PAC file last week because it'd been five, six years since we haven't had any incidents with Mr. NGUYEN. So I sent it to P9 because the primary was busy with Northern's stabbing, and I said, 'FYI we're at uh....' and I don't know verbatim. I just basically said there was an Asian male that we had an incident with where he tried to grab my gun on a call out there. I said, 'I'm not sure if this is the guy, but if it is, just for officer's safety it ended up in a ground fight and we had to taze him to take him into custody. So I sent those to P9. I didn't attach them to the incident, I sent them to P9. The distance to this location is anywhere from twelve to fifteen minutes, from Beat 934 to 937, so I knew I was coming from a pretty good distance. Uh, as I'm driving, there's no real updates because Northern's air is tied up. Dispatch saw the 3rd update so she advises units, 'You need to check your MCTs for messages, 936J, in regards to this possible subject'. So I get 97 first. It was probably a little bit before midnight. I utilized the fog lights on my vehicle. They're super bright as compared to the old vehicles back in the day. Floods the whole street. It said the subject was in a, I think a gray or brown, Honda. So I checked every Honda on Via Fiesta. I went up once. I went down again. Saw no one on the street. So then I decided to drive into the apartment complex. By that time there's three or four additional units there. Officer ROCHA, Officer MILTON (MARIN) I think the new guy and is, and Officer SHIELDS. As we're driving through the complex, a woman and a man pull up in a white, small SUV. He gets out and he says, 'Officers! Officers! I'm the one that called. I'm the one that called'. And I said, 'Okay, well we didn't see him out on the street'. He goes, 'I'll show you what car he was in.' And I think I told him, I said, 'Well that's good'. I said, 'We had an incident with a male before on this particular street and he tried to grab an officer's gun so we just want to make sure it's not the same individual'.

He goes, 'Oh, okay. I'll show you'. So he drives out, points to the car. I think I ran it or Officer ROCHA ran it. One of us ran it. As soon as the name came back, I recognized that it was Mr. NGUYEN and the address, we were literally, I'm gonna guess fifty to hundred feet from the actual address. So the car was right there.

We look, listen and feel. We don't hear anything. The apartment to the south of Mr. NGUYEN's address, the lights were on so I thought maybe that was it. I think that was Apartment [REDACTED]. So then we confirmed the address and it was apartment [REDACTED]. No lights on. All the windows were open but no lights were on. Look, listen and feel, I sent the new officer to the back. I go and make sure there's nobody hanging out in the garage or the alley way. Officer SHIELDS was off to my left and I don't know how far because I stayed focused on the front door. But I stayed off of the front door (6-7 ft) because of the incident I had the last time. The fight for my gun was literally in the doorway. So I stayed off the door. I didn't know if this individual was back. I didn't know if it was the same guy. The name and everything all tied in. Officer ROCHA was off to my right side and so I knew I had a good perimeter position. We had already asked for a dog, if there was dog close go ahead and start them that way. Officer ROCHA all of a sudden, he said something. He's communicating with a woman and I could hear the Asian accent. And he said, 'Ma'am, this is San Diego Police we need you to come to the door'. And so I heard that distinctly and that was after we had rung the doorbell and nobody came to the door. So I stayed right where I was. I had, it's an 'O' light. It's called an M-22 I believe. It's a 950 lumen flashlight. It's brighter than our spotlights on our cars. So he informs me that the female is coming to the door. So I illuminate the door. The door opens so I let my guard down. I believe it's going to be the [REDACTED] so we can talk to her, say, 'Hey is your [REDACTED] home, where is he, is he still out and about in the complex'. So literally the door opens up and as soon as he comes out, I recognize it's Mr. NGUYEN. I had him lit up. The first thing my light reflects off the silver blade of the knife. It looked to be probably a five or six inch knife. He had it in his right hand. I yelled out, 'Drop the knife!' Clear as day I heard it. And then in my mind, I go, 'He's gonna drop it'. And I think I got caught completely off guard because he didn't drop it. As soon as I said that, he starts raising like he's coming towards me to stab me, and then he just increased his speed. So I took a step back and literally prepared myself to get stabbed.

Officer ALBERTS' voice began to crack and he became teary eyed.

PR: You can take a break if you want.

MA: Because I thought I screwed up and was too close. So I tensed up and I drew and as I drew, I think I fired with one hand and dropped this light, to go to two handed shooting. And he was probably three feet from me when I shot him. And then he immediately spun to his right side and kind of went up in the air. Kind of like an up and over movement, and then fell onto his right side. (Voice cracking and teary eyed) And then I could see him bleeding out and the knife was still down by his right hand. I tried to get on the air and say 'Shots fired' and Northern had the air tied up again. So I focused on him. This time I activated the light on my primary. Officer SHIELDS had come over from my left. Officer ROCHA came over from my right. I could see he was moving, but it was minimal. I mean he was turning the ash color.

I've seen that a lot in Iraq. And I told the new guy (Marin) he needed to go up and check for a pulse, but before he did that we needed to move him away from the knife. So he gloved up, Jason ROCHA gloved up. I was still trying to gather myself because it just happened so fast. Officer SHIELDS said, 'Yeah, I can feel a faint pulse'. So I ran back. I might have walked fast, ran, I don't remember. I always carry a huge CLS bag. It's a combat life-saving bag with enough to triage ten people. That's one of the things I learned from Iraq; always have plenty. So I grab that. I went back and gloved up, took out some gauze. I think they call them 4 x 4's. I took out a stack of them, pulled his shirt down. I could see a single gunshot to his sternum. I put direct pressure on it. Kind of didn't feel right just because I was still trying to tune myself back into the whole thing that happened. So I asked Officer SHIELDS, 'Can you maintain direct pressure on him?' One of us had already called for medics. The only other thing that happened prior to that was his [REDACTED] had said, 'What happened? What happened to my [REDACTED] He's sick! He's sick!' And then one of the officers that was in the back, I think it was MILTON (Marin) asked her to step back into the house. I think she looked out momentarily, turned on the porch light and then she went back into the house. And then once I knew the medics were 97 I went back with Officer ROCHA and we just set up crime scene tape. I was giving updates on his pulse and what we were doing for triage. And just advising, you need to start the Sergeant and stuff like that. Other than that, I just stayed away. Once the medics were there and they were doing their thing, I just stayed away from it. The only thing I did do on my way out, cause the medics were going to kick it, my flashlight that I had dropped to my left side, I picked that up and secured that. That's the only thing. And then my, I think my latex gloves are still at the scene. I pulled them off and put them off to what would be the east. I think that's the only other thing I left there. And I picked up my CLS bag. It's a big, tan backpack for medical gear, so I picked that up and took that back to the car and then just stayed out of the scene until other supervisors and stuff showed up. I gave Sergeant SAYLES a safety brief and then that was it. And then Traffic Officer VOSS drove me back to the station in my car just because there's so many weapon systems and other things in my SWAT vehicle that we got. It wasn't inside the crime scene tape. It was outside the crime scene. There were four utility vehicles in the street. That's our whole division and mine was the one furthest away from the address itself so, so literally in front of his house. I don't think we were parked directly in front, but there were four marked units right in front of, basically almost right in front of his address. I think I got on the air and asked somebody to secure the original RP or try to and get a hold of the original RP because he told me he'd be available if we needed him for follow-up calls. And then I went back to the station and that was it.

BP: Mike, why did you shoot?

MA: Like I said, I took a step back trying to gain distance and he just, he gained so much ground on me so fast. I thought I waited too late. And I knew if I didn't fire, I was going to get stabbed probably right below the vest. That's why I prepared myself to take the hit. I knew if I didn't fire at that moment, I was gonna get stabbed. And then I know how hard he fought the last time and it took a long time.

I mean, he's an older gentleman but he's in probably the best shape I've ever seen for somebody that age. I mean literally when he came out of the door, he had just tone locked, he had that blank robotic stare on him, and just beelined it straight for me.

BP: Okay. Lt. Rorrison, anything?

PR: I just got one, just so we can put it on record here. You said he came out the door and was holding the knife in his right hand and you motioned that he was holding it straight out in front of you.

MA: When, he had it down towards his right side, and then as soon as I told him to drop it, he increased his pace towards me. And it was like he was starting to come towards me with it when I drew and fired.

PR: He was lunging at you?

MA: Yeah, like I said, he first walks out kind of slow and not methodical and then as soon as I gave him the command to drop it, it was almost, it wasn't running but it was a decisive move straight towards me.

PR: Okay.

MA: And I would say he was probably within three feet when I actually fired. And like I said, 'It happened so fast, I'm pretty sure I fired with one hand, dropped the light and then tried to come up for a two hand in case it wasn't over. The one round went off and that was it. He went down.

PR: Okay. And I just got one question. You said you dropped the light and you secured it?

MA: Yes sir.

PR: Is it still at the scene or?

MA: No, no. I secured it.

PR: Okay.

MA: Because it was dropped off to my left side and it was literally in the middle of the sidewalk and then medics came and there's not a lot of room to get down that side though, so I picked it up and secured it and then put it in my vehicle. There's a holster for it right next to the mike in my car.

PR: Okay. We'll just have to get that.

MA: Okay.

PR: Will you go back to that station and get that.

MA: Okay, yeah. It's in 7163, so.

PR: That's all I got.

BP: Okay.

JS: When you said he came out of the door, he was almost walking slow until he saw you, and then he started moving towards you and raising his hand as if he was going to stab you?

MA: It's like he came from the waist, and just made a beeline straight towards me.

JS: And then you said he got within about three feet away.

MA: Of me.

JS: Was that the blade or was that his body?

MA: I felt like it was his body

JS: And then you ultimately stabbed him because you felt like you were going to get stabbed

MA: Absolutely! Like I said I tried to step back thinking I could gain ground and then when I realized there is just nowhere to go he's already on top of me is what it felt like, that's when I drew and fired. I'm still trying to figure out how I had time to get out and draw. It was just that fast.

BF: Just building on that, your training, what is the distance...is there a magic distance that you're aware of or at least in your training that somebody with a knife can be on top of you before you might be able to...

MA: Back in the day the rule used to be 21 foot rule and I know everybody in here has heard of that. When I went through the Firearms Instructor School in Sacramento back in 1996. We did a drill where they had shooters on the line and they had the other students behind them and as soon as they said 'draw', they had the officers run and the average distance was 29 to 36 feet. So, it was way beyond the 21 foot rule. But that's kind of the magic number that they, that they give you. So I knew when he was, I'm going to guess that I was eight feet from that door, maybe six feet from the door when it started. And when he covered that distance so fast, I knew I was way behind power curve.

BF: And then the other issue, so you mentioned that you had, and I just want to make sure we have this on the record, you had had contact with this, with the suspect how many years ago?

MA: I want to say roughly six years ago.

BF: And was it at the same residence?

MA: The same exact residence.

BF: Okay and um when did you realize that this was either likely or the same, or the same suspect that you dealt with six years ago.

MA: Well...and again that's why I pulled the PAC file because I even told the dispatcher, 'We haven't had any calls. Either he moved or I don't know what'. So I go, 'I know you guys don't like stacking up the PAC file thing, so you're good to remove this one'.

BF: And when did you remove that?

MA: Literally last week.

BF: And why did it come up last week?

MA: Um, we were doing...I think we got...we either got a call to Via Fiesta. In fact I think that's what it was, or we were doing D Runs at the mosque and whenever you're in the same hundred block, the PAC file popped up. And that's when I ran him. I'm like this guy's probably not even there anymore and it was Officer (inaudible) was there and Officer RUIZ was there for that incident.

BF: So six years you had this incident but a week ago just sort of by coincidence...

MA: The PAC file popped up.

BF: The PAC file pops up. You ask them to remove it. But that's in your head as this is...

MA: Driving there. As soon as I read the description and that age, I'm like...and the behavior. When the reporting party used the term aggressive behavior and all that, I'm thinking I don't know who else we had, literally no calls of anything like that nature. It's just...and that's the first thing that popped in my head.

BF: And when the suspect came out of the door, did you remember him?

MA: Immediately. Yeah. Same look on his face as last time so....

BF: That's all I have.

BP: Anything else? Okay. We'll conclude this interview. The time is 0430 hours.

SYNOPSIS:

On July 3, 2015, at about 0030 hours, I received a telephone call from Sgt Bruce PENDLETON #4706 directing me to respond to ■■■ Via Fiesta to investigate an Officer Involved Shooting. I drove to the scene and arrived at about 0120 hours. I met with Homicide Team 1 which included Sgt. John SAFLAR, Sgt Bruce PENDLETON #4706 and detectives Tim NORRIS #3979, Bill MILES #5473 and Bill KELLNER #5776. Crime Scene Specialist Ally SOUTHERLAND and Criminalist Brian BURRITT also responded to the call.

This incident was located in Northwestern Division on beat 937. The neighborhood is Black Mountain Ranch. The incident # is 150070003825.

At 0143 hrs we were briefed on the incident by Sgt. Gaylon SELLS # 4231. The briefing ended at 0209 hrs.

At the conclusion of the briefing Sgt PENDLETON directed me to locate and interview the police officers who were at the location at the time of the incident. Sgt PENDLETON told me the officers were standing by at Northwestern Division. I drove to the substation and found two of the officers waiting in the report room. I introduced myself and said I would be interviewing them one at a time. I conducted the interviews in an open cubicle in the investigations area. I recorded the interviews on digital audio. The following is a synopsis of their statements. For complete details refer to the audio recording.

At 0326 hrs I began my interview with Jason ROCHA.

STATEMENT OF JASON ROCHA:

Officer ROCHA said he is currently assigned as a patrol officer assigned to Northwestern Division. Tonight he was working as a backfill overtime position due to low staffing issues. He was working a one officer patrol car identified as 934J3. His current supervisor is Blaine Ferguson.

Officer ROCHA said he and Officer Mike ALBERTS received a radio call of a disturbance involving an Asian male. The details of the call stated the Asian male had kicked the reporting party and thrown lit objects at passing vehicles.

Officer ROCHA said while driving to the call he received a computer message from Officer Mike ALBERTS which said he recalled a few years ago dealing with possibly the same Asian male subject. During that incident the Asian male had gotten into a physical fight with police and tried to grab Officer ALBERTS' gun.

When they arrived at the scene they did not see the Asian male subject. The officers were flagged down by the reporting party [RP]. The RP led them back to the main street and pointed out the Asian male subject's vehicle, a brown Honda Civic. Officer ROCHA conducted a registration check of the license plate and Officer ALBERTS stated he thought the registered owner's name was the same as the male he encountered there several years ago. Officer ALBERTS said he was pretty sure the male lived in Apartment [REDACTED]

Officer ALBERTS asked their dispatcher to see if any Canine Police Units were available to assist but was told none were close or available. Several more patrol units arrived at the scene and went to apartment [REDACTED] to check on the male.

Initially they knocked but got no answers. The lights were off inside. The officers spread out to take up a perimeter around the house. Officer ALBERTS stayed in the front by the door. Officer ROCHA went to the side of the house, he believes on the North side. Officer ROCHA could see through into the house through a window. Officer ROCHA could hear a female inside talking. Officer ROCHA spoke loudly that he was with the police and they wanted to speak to the male. He said he tried to quickly explain the situation to the female. Officer ROCHA told the female to go to the front door. Officer ROCHA could see the female headed towards the front door area.

Officer ROCHA shouted over to Officer ALBERTS that a female was headed towards the front door. Officer ROCHA stayed by the window to keep observations on the interior of the home.

Officer ROCHA was positioned so he could keep partial view on the front of the house where Officer ALBERTS was located. Officer ROCHA estimates he was approximately 20 feet from Officer ALBERTS. Officer ROCHA heard the front door opened and almost immediately Officer ALBERTS began to shout, "Drop the knife, Drop the knife". Officer ROCHA is positive he heard drop the knife at least twice.

Officer ROCHA turned his attention towards Officer ALBERTS and could see him backing away from the front door. Officer ROCHA heard Officer ALBERTS shout something like, "Don't move", or "Stay there". Officer ROCHA saw Officer ALBERTS fire one shot.

Officer ROCHA estimated the timeframe from the time he heard the front door open until he heard Officer ALBERTS fire his handgun was less than five seconds.

Investigator's Report

Witness: ROCHA, Jason

Case #15-009388; #15-009385

Page 3

Officer ROCHA rushed over to assist and could now see an older Asian male with glasses slumped over near the front door. Officer ALBERTS told Officer ROCHA to "check for the knife". Officer ROCHA said the house needed to be checked and cleared. Officer ALBERTS agreed. Officer ROCHA and another officer, Officer MARIN, entered the house while Officer ALBERTS and Officer Shields remained outside. Officer ROCHA immediately encountered an [REDACTED] female running towards the front door. Officer ROCHA heard the female yelling, "He's crazy, he needs help." Officer ROCHA stayed with the female while Officer Marin cleared the house.

Officer ROCHA returned back outside to assist Officer ALBERTS with the Asian male. Officer ALBERTS stood by while Officer ROCHA and Officer SHIELDS found a black handled steak knife by the Asian male.

The officers started giving first aid to the Asian male until medics arrived. Officer ROCHA said one of the officers checked and the male had a pulse. They applied pressure to the wound.

Once enough officers arrived at the scene to control the situation Officer ROCHA drove to the Northwestern substation to standby to be interviewed.

Officer ROCHA said as far as he could remember he has never dealt with the Asian male subject in the past. He does not recall ever having been to this address before either.

STATEMENT OF BRYAN SHIELDS:

Officer SHIELDS said he is currently assigned as a patrol officer assigned to Northwestern Division. Tonight he was working as a backfill overtime position due to low staffing issues. He was working a one officer patrol car identified as 931J3. His current supervisor is Richard Fortuna.

Officer SHIELDS said tonight he was assisting on a radio call of a "415" involving a male who kicked the reporting party. Officer ALBERTS wrote that he had gotten into a ground fight with an Asian male suspect at this same address at some point in the past.

The officers arrived at the scene and they checked the area but they did not see the Asian male. Officer SHIELDS said one of the officers, he's not sure which one, ran the license plate of the Asian male's vehicle and found out where it was registered. They made the decision they were going to attempt to contact the male at that address.

Officer SHIELDS said he heard Officer ALBERTS request a Canine Police Unit but was told they were from a distance.

There were four officers at the call and they set up a perimeter around the house they believed the male lived. Officer SHIELDS said he was on one side of the home. Officer ALBERTS was near the front door. Officer SHIELDS said Officer ROCHA was on the east side of the house. Officer ALBERTS knocked but got no answer. Officer SHIELDS could hear Officer ROCHA talking to an [REDACTED] female somewhere inside of the home. He could hear Officer ROCHA telling the female to go to the front door.

Officer SHIELDS said he was off to the side from Officer ALBERTS. Officer SHIELDS estimated he was ten feet from Officer ALBERTS at this time. Officer SHIELDS could hear the front door of the target house open and Officer ALBERTS yell, "Drop the knife, drop the knife." Officer SHIELDS said from his position he could not see the front door or the male as he came out. Officer SHIELDS could see Officer ALBERTS' backside. Officer SHIELDS heard Officer ALBERTS fire his handgun one time. Officer SHIELDS rushed over to assist and as he came around the front wall he could now see an Asian male slumped on the ground.

Officer SHIELDS said he assisted with first aid at the scene. Once medics arrived Officer SHIELDS said he rode in the ambulance with the Asian male to the hospital. Officer SHIELDS said while he was at the hospital he was advised by the staff that the Asian male had died. Another officer arrived at the hospital to standby for detectives. Officer SHIELDS was directed to go to Northwestern Division to standby to be interviewed.

Officer SHIELDS said he is currently assigned to Northwestern Division but he has never encountered this Asian male subject before tonight.

Approved By: Sgt J.Saflar #5193

Date of Report: 06-18-2015

Time: 0700

Officer Charles MARIN basically told me the following.

WITNESS STATEMENT:

In your own words, how were you involved with the scene? Just start from the beginning.

Well, we got the radio call of an Asian male, possibly sixty or seventy. He kicked or threw something at another male. I was behind Mike Alberts. We came around to the residence because Mike had already spoken to the RP (Reporting Party). He (RP) said he could tell us where the car was that the Asian male was sitting in. We went out to the street and went to the car. The RP said, "That's the car of the guy." Mike had dispatch run the plate and it came back, um...we started talking about Mike Albert's history in the past with a male in this area with metal issues. He (Alberts) just wanted us to be alert of that. The plate came back and Mike said that was his guy, so we went to set up a perimeter.

We went to his apartment (Ton Ngoc Nguyen). Before we made contact, I went just south of the address down a little walkway to the back corner. I checked the garage to make sure it wasn't open. I checked the window and didn't see anyone inside the house. That's when Mike knocked on the door and made the announcement "San Diego PD. We just want to check the welfare and make sure everything is all right. At that time, nobody came to the door when he first knocked. I just kept the southwest perimeter corner to make sure no one decided to run out the back or through the window. Mike announced the gentleman's name, but I can't remember the name he said. He (Mike) said, "Hey, we just want to make sure everyone's all right."

At that time, I could hear the unlocking of the door. As soon as the door opened, all I could hear is Mike scream "drop the knife, drop the knife." He (Mike) said it at least two times, possibly three. After the last time he said, "drop the knife" I heard a gunshot so I ran up to where they were and saw the male was laying on the ground. I asked, "where's the knife?" They said he still had the knife underneath his stomach so we just held there until the [REDACTED] came out the door. I went inside the house and had the [REDACTED] sit on the couch. I did a quick search to make sure no one else is inside the house and I stayed with the [REDACTED]

How far from your position on the corner, were you from the front door?

Anywhere from ten to fifteen feet. I could still see them because they had backed away from the door when the knocked. I could see Shields (Officer Bryan Shields #7231). I couldn't see Rocha (Officer Jason Rocha #5508) and I could just barely see Mike (Officer Mike Alberts #4835).

Approved By: Sgt J.Saflar #5193

Date of Report: 06-18-2015

So it was just those three officers in front and you were standing on the corner?

Yes. I was on the one corner. It was an apartment complex so he couldn't go...there is only two ways out, that way (front door) and my way.

In your estimation, how much time between when you heard him (Alberts) say, "drop the knife and the shot?"

It felt like a long time. I would say it had to be close to ten seconds. From when he said it from when I heard the pop. I realized that was a gunshot and knew I had to get up there and figure out what was going on.

Did anyone come out of any of the houses that you know of?

Nobody came out. We all tried to put it out over the air at the same time. That's when the three of us and Mike helped out with the guy who still had the knife underneath him. I knew we had to check inside. We were going to send two inside, but that's when the [REDACTED] came out. That's when I went inside. I said, "Watch her. I'm just going to check the house real quick.

Was anybody else inside the house?

No. Just the [REDACTED]

What was her demeanor like?

At first she was just shocked. She wasn't quite sure what happened. It wasn't really affecting her. She just kept saying, "My [REDACTED] has mental issues, he has mental issues." There was a little bit of a language issue. She spoke decent English, but I think she was still in shock. We didn't want to let her come out and see what happened. She wasn't sure what had transpired outside.

Did she make any other statements? That's obviously important that she said her [REDACTED] had mental issues.

She kept saying "He's not right in the head. He has problems inside his head. I don't know why he leaves the house. I tell him to stay inside the house because he does have these mental issues. He takes all sorts of medication and has a long list of medical issues.

How did the house look?

The house looked pretty neat. It didn't look like anyone was throwing stuff around.

Did she say anything about what had happened tonight before you guys got there?

She said the last she knew, he was in the living room and she went to sleep. She didn't know why we were there. She just kept asking why we were here and telling me he had mental issues.

What did you do next? Did you do anything after dealing with his [REDACTED]

I just asked her about what medication her took and she didn't know. I just took a brief statement from her. I just sat there with her because she was finally starting to break down.

Did she say if there was anyone else who lived in the house that wasn't there during this incident? Anyone else we should talk to like [REDACTED]

They have one [REDACTED] but I don't know the [REDACTED] name. They do have a [REDACTED] that lives in San Diego. She doesn't live at the residence, but there was only one room we couldn't clear because it was locked. I guess they still keep the [REDACTED] room.

Is there anything else you think is note worthy?

You could hear from my position how loud the announcement was of Mike saying, "Drop the knife."

I THOUGHT HE WAS TRYING TO FIGHT ME. MY [REDACTED] GRABBED ME AND SAID WE OUGHT TO LEAVE BECAUSE SOMETHING WASN'T RIGHT WITH HIM. WE WALKED BACK TO OUR HOUSE, GOT OUR DOGS, AND WALKED BACK OUT TO GET OUR CAR WHICH WE HAD PARKED OUT ON THE STREET. WHEN WE GOT BACK OUT THERE, WE SAW HE WAS SITTING IN THE CAR. HE WAS SITTING IN THE HONDA IN THE DRIVER SEAT. I WAS WORRIED MAYBE HE WOULD BE MORE OF A THREAT BEHIND THE WHEEL. THAT'S WHEN MY [REDACTED] CALLED THE POLICE. AS I WALKED TO GET MY CAR, HE FLICKED SOMETHING OUT THE WINDOW AT ME. I THOUGHT IT MIGHT BE A CIGARETTE. THERE WERE OTHER CARS DRIVING BY, AND HE THREW OTHER LITTLE THINGS AT THEM, TOO. I THOUGHT MAYBE THEY WERE MATCHES. WE GOT IN OUR CAR AND STARTED DRIVING AROUND THE AREA FOR ABOUT 10-15 MINUTES. WE WATCHED THE CAR FROM A DISTANCE. HE JUST KEPT DOING THE SAME THING. IT ALSO APPEARED LIKE MAYBE HE WAS DRINKING INSIDE OF THE CAR. SHORTLY AFTER, WE SAW THREE POLICE CARS DRIVE IN. [REDACTED] and his [REDACTED] live at [REDACTED]. Today [REDACTED] bought a new car and drove it home and parked in on the main street, Via Fiesta.

After they parked and locked their car, they began to walk towards their home. They were approaching an older Asian male who was standing on the sidewalk. [REDACTED] said the Asian male turned towards him and came close to him as they walked by. Without warning the Asian male kicked [REDACTED] leg. The kick was unexpected painful but did not leave any injuries.

[REDACTED] said he squared off on the Asian male because he thought the male wanted to fight him. His [REDACTED] said he looked unstable and they should just get away from him. [REDACTED] decided to just forget about it because the male might just be a confused old man.

They walked home and talked about it. [REDACTED] decided he didn't want to leave his new car on the street and would rather park it in their garage. [REDACTED] took their dog and walked back out to Via Fiesta to get the car. At this point [REDACTED] could see the Asian male was now sitting in a vehicle directly across the street from their new car. [REDACTED] had [REDACTED] walk with the dog up the street. As [REDACTED] got into his car and started it up he could see the Asian male was leaning back in the front seat of his car, possibly drinking something.

As the male saw [REDACTED] he flicked something on fire at him. [REDACTED] thought it might be a lit cigarette or something. As several cars past the Asian male on the street, the Asian male flicked something on fire at the cars. [REDACTED] thought it might be the Asian male was lighting matches.

They decided to call the police right then to have them check this guys welfare. [REDACTED] said it took about 15 minutes for the officers to arrive at the scene. [REDACTED] said before the police arrived the Asian male left his car and walked away.

At this point the police arrived and drove into the condo complex. [REDACTED] flagged the officer down and he led them back to where the male's car had been parked at.

[REDACTED] said he and his [REDACTED] were parking their car back at their house when they heard the sounds of what might have been gunshots. [REDACTED] said it sounded like firecrackers. He thought he heard up to four shots.

[REDACTED] said he and his [REDACTED] were nowhere near the scene of the shooting and didn't see it happen.

[REDACTED] said he does not know the Asian male, never encountered him before and had no information about him.

[REDACTED] said where the Asian male kicked him he does not have any visible injury. It only hurt for a little while. He never desired any time of crime report. His only concern was that this male needed to be checked the police to see what was going on with him.

BACKGROUND:

On July 03, 2015 at approximately 0032 hours I was off duty and at home when I received a call from Detective Sergeant Bruce PENDLETON. Sgt. PENDLETON advised me of an officer involved shooting having occurred at 14692 Via Fiesta [REDACTED] in San Diego. Sergeant PENDLETON told me Homicide Team One will be conducting the investigation and directed me to respond to assist in the investigation. The team consists of Sergeants PENDLETON and SAFLAR as well as Detectives Dave SPITZER, Bill MILES and Tim NORRIS. I assisted Team One in a relief detective capacity.

INVESTIGATION:

I arrived at the scene at 0115 hours. This incident was located in Northwestern Division on beat 937. The neighborhood is Black Mountain Ranch. The incident # is 15070003825.

At 0143 hrs, after all of the team had assembled we were briefed on the incident by Sgt. Gaylon SELLS # 4231. Sgt. SELLS told us that at about 2340 hours, SDPD Communications received a call of a 415, Violent at [REDACTED] Via Fiesta. The call was dispatched at 2340 hours and the first officers arrived on scene at 2353 Hours.

Reporting Officer: Bill Kellner I.D.: 5776 Division: Homicide Unit

Approved By: Date of Report: 07-04-2015 Time: 0700

The officers were, Mike ALBERTS #4835, Jason ROCHA #5508, Charles MARIN #7261 and Bryan SHIELDS #7231. None of the officers are trained in the use of the Body Worn Camera (BWC).

The reporting party on this call was [REDACTED]. They reported that an unknown male was in front of the location in a brown, Honda, Civic acting aggressive and possibly 5'10". [REDACTED] also reported that the male kicked her [REDACTED]. The male was throwing lit matches at other vehicles. They described the suspect as an Asian, male adult, 60-70 years old, short and thin, wearing unknown clothing and unknown weapons.

As officers were enroute at 2345 hrs, Officer ALBERTS sent a message to P-9 which said, "In the event it is the same guy, he attempted to grab my gun when I 417'd him on a possible knife call. It ended in a ground fight and him being tased".

When officers arrived on scene the suspect's vehicle was pointed out to them by [REDACTED]. Officer ALBERTS ran the plate and realized it was the same person he fought with on a previous call. That person's name was, Ton Ngoc NGUYEN, 1-16-55.

The officers went to the address listed on the vehicle registration, 14672 Via Fiesta [REDACTED]. Officer ALBERTS and Bryan SHIELDS went to the front door and knocked. After knocking on the door, the suspect, NGUYEN rushed out of the door towards Officer ALBERTS with a knife in his right hand. The suspect was within 7 feet of Officer ALBERTS. Officer ALBERTS attempted to back away from the suspect who picked up speed as he advanced on the officer. Officer ALBERTS drew his duty weapon and fired one round which struck NGUYEN in the upper torso. NGUYEN immediately fell to the ground. Officers secured the scene and began to administer first aid to NGUYEN. NGUYEN was transported to Scripps La Jolla where he was pronounced dead by Dr. James SCHWINDIG at 0044 hours.

Upon conclusion of the incident briefing Sergeant PENDLETON assigned me to assist with witness interviews. Initially I drove to San Diego Fire Station [REDACTED] and interviewed Medics Sean RICHMOND and Michael ROMAN, who transported Ton Ngoc Nguyen to Sharp La Jolla Hospital. I later drove to the Northwestern Patrol Station (SDPD) and interviewed Officer Charles MARIN who witnessed the incident listed above. I recorded the interviews with a digital recorder and later transferred it to compact disc. My documentation is not a verbatim transcript but captures the essence of what MARIN, RICHMOND and ROMAN told me. The recordings should be reviewed for the entire context of the conversations.

After interviewing MARIN, RICHMOND and ROMAN, I assisted Detective SPITZER with interviews of Ton NGUYEN's neighbors (see report by SPITZER for details).

Sean RICHMOND basically told me the following.

WITNESS STATEMENT:

When you first got to the scene, what did you see?

When we got to the front porch, the first responders and engine 46 were doing CPR on the patient. Obviously his shirt was cut off. His bleeding was in control. He had one single gunshot in the center of his chest, sternum area. Blood was coming out of that during compressions. He was pulsus and apneic so he wasn't breathing. We loaded him on the gurney right away and got him into the back of the ambulance for transport. That's really all I saw. It was real quick and brief.

Were there any statements by him (Nguyen) at all?

No. He was completely unconscious and wasn't breathing. He had no pulse. He was non verbal and non responsive.

Were there any witnesses there saying anything? Anything that stands out?

No. I just saw PD, the first responders. I did see a knife on the porch. I can't remember the exact size. That was pretty much it. There was a lot of blood since he took one in the chest. We just packaged him, put him on the gurney and took off.

Was there any change on the ride over?

No. He remained pulsus and apneic. No change with the heart rhythm. The same for the whole entire transport. No viable signs of life. No breathing or heart rate.

**SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT**

DATE: (occurrence) July 3, 2015

TIMES: (occurrence) 2340 Hours

LOCATIONS: 14692 Via Fiesta [REDACTED]

SUBJECT: Officer Involved Shooting
Case # 15-028434
Special Investigation #15-028431
Officer Michael Robert ALBERTS #4835

SUBJECT INTERVIEWED: Michael Roman

EMT/San Diego Fire Department
[REDACTED]

BACKGROUND:

On July 03, 2015 at approximately 0032 hours I was off duty and at home when I received a call from Detective Sergeant Bruce PENDLETON. Sgt. PENDLETON advised me of an officer involved shooting having occurred at 14692 Via Fiesta [REDACTED] in San Diego. Sergeant PENDLETON told me Homicide Team One will be conducting the investigation and directed me to respond to assist in the investigation. The team consists of Sergeants PENDLETON and SAFLAR as well as Detectives Dave SPITZER, Bill MILES and Tim NORRIS. I assisted Team One in a relief detective capacity.

INVESTIGATION:

I arrived at the scene at 0115 hours. This incident was located in Northwestern Division on beat 937. The neighborhood is Black Mountain Ranch. The incident # is 15070003825.

At 0143 hrs, after all of the team had assembled we were briefed on the incident by Sgt. Gaylon SELLS # 4231. Sgt. SELLS told us that at about 2340 hours, SDPD Communications received a call of a 415, Violent at [REDACTED] Via Fiesta. The call was dispatched at 2340 hours and the first officers arrived on scene at 2353 Hours.

The officers were, Mike ALBERTS #4835, Jason ROCHA #5508, Charles MARIN #7261 and Bryan SHIELDS #7231. None of the officers are trained in the use of the Body Worn Camera (BWC).

The reporting party on this call was [REDACTED]. They reported that an unknown male was in front of the location in a brown Honda Civic acting aggressive and possibly 5150. [REDACTED] also reported that the male kicked her [REDACTED]. The male was throwing lit matches at other vehicles. They described the suspect as an Asian, male adult, 60-70 years old, short and thin, wearing unknown clothing and unknown weapons.

As officers were enroute at 2345 hrs, Officer ALBERTS sent a message to P-9 which said, "In the event it is the same guy, he attempted to grab my gun when I 417'd him on a possible knife call. It ended in a ground fight and him being tased".

When officers arrived on scene the suspect's vehicle was pointed out to them by [REDACTED]. Officer ALBERTS ran the plate and realized it was the same person he fought with on a previous call. That person's name was, Ton Ngoc NGUYEN, 1-16-55.

The officers went to the address listed on the vehicle registration, 14672 Via Fiesta [REDACTED]. Officer ALBERTS and Bryan SHIELDS went to the front door and knocked. After knocking on the door, the suspect, NGUYEN rushed out of the door towards Officer ALBERTS with a knife in his right hand. The suspect was within 7 feet of Officer ALBERTS. Officer ALBERTS attempted to back away from the suspect who picked up speed as he advanced on the officer. Officer ALBERTS drew his duty weapon and fired one round which struck NGUYEN in the upper torso. NGUYEN immediately fell to the ground. Officers secured the scene and began to administer first aid to NGUYEN. NGUYEN was transported to Scripps La Jolla where he was pronounced dead by Dr. James SCHWINDIG at 0044 hours.

Upon conclusion of the incident briefing Sergeant PENDLETON assigned me to assist with witness interviews. Initially I drove to San Diego Fire Station [REDACTED] and interviewed Medics Sean RICHMOND and Michael ROMAN, who transported Ton Ngoc Nguyen to Sharp La Jolla Hospital. I later drove to the Northwestern Patrol Station (SDPD) and interviewed Officer Charles MARIN who witnessed the incident listed above. I recorded the interviews with a digital recorder and later transferred it to compact disc. My documentation is not a verbatim transcript but captures the essence of what MARIN, RICHMOND and ROMAN told me. The recordings should be reviewed for the entire context of the conversations.

After interviewing MARIN, RICHMOND and ROMAN, I assisted Detective SPITZER with interviews of Ton NGUYEN's neighbors (see report by SPITZER for details).

Michael ROMAN basically told me the following.

WITNESS STATEMENT:

What did you see when you got to the scene?

We walked up to the gurney to the front porch. There were quite a few officers that we needed to get through and a bunch of blood on the porch deck. The first responders were there and doing compressions. They told us a real quick scenario of what had occurred. We all agreed to pick up the patient. We picked him up, put him on the gurney and wheeled him to the ambulance. I jumped up front and we started driving.

What was he wearing when you picked him up?

He did have a shirt if some sort that was heavily bloodied. I think it was plaid. He was wearing shorts and he had a pair of sandals what were already off him at the scene. For us to be able to pick him up, we did push the sandals off to the side.

You went to which hospital?

Scripps La Jolla, to their trauma unit.

Did they give you his name when you went to the scene?

No. Not at all.

How would you describe him physically?

Asian. Middle aged male. He was supine on his back. Kind of up against a wall, so he was in somewhat of a contorted position.

Anything else that you think is noteworthy?

No. I heard the story about the knife. I really wasn't looking for that. I was just making sure I wasn't stepping in the major pool of blood. If there was a knife, I wanted to make sure not to move it. Obviously we knew it was a crime scene.
